

# Rackspace Hosted Exchange 2016

Take the pain out of email management with the top Exchange solution.

Rackspace Hosted Exchange 2016 provides the most advanced capabilities of Exchange without the headaches of managing a full in-house Microsoft Exchange system. Hosted Exchange from Rackspace comes with an industry-leading 100% Uptime Guarantee and premium anti-spam and anti-virus protection. Hosted Exchange is always patched, up-to-date, and expertly maintained, 24x7x365.

## Experts Dedicated to Your Success

Rackspace has deep, proven expertise with email and Microsoft products. With over 200 Microsoft Certified Professionals, Rackspace moves or migrates over 50,000 email boxes per month and manages millions more. With industry-leading support and uptime guarantees, you can count on Rackspace to help keep your Exchange email system up and running for all your users — whether they are at their desks or on the go.

## Key Features

With Rackspace Hosted Exchange 2016, you'll benefit from:

- Large 100 GB mailboxes
- Hosted Skype for Business
- Premium anti-spam and anti-virus scans
- ActiveSync compatibility
- Outlook web access
- 50 MB attachments
- Public folders and calendars
- Active Directory

## Key Benefits

**Security:** Two-factor authentication, combined with triple-layer anti-spam and anti-virus scans as well as SSL encryption for all domains increase protection for your sensitive email data and stored information.

**Easy administration:** The Cloud Office control panel provides easy access to tools and settings like spam and virus filtering, mobile syncing and mobile device configuration.

**Easy accessibility:** Hosted Exchange updates through real-time, seamless synchronization. Users may choose desktop email access with Outlook and Mac Mail; web access with Outlook Web Access; or mobile access with ActiveSync and BlackBerry Enterprise Server.
