

# FANATICAL SUPPORT FOR O365 EXCHANGE ESSENTIALS

*Essential email for essential business needs.*

Exchange Essentials provides email functionality designed for small and midsize businesses. Growing companies get the important features they need plus expert support at a reasonable price point.

## WHY RACKSPACE FOR EXCHANGE ESSENTIALS?

Rackspace has deep, proven expertise in hosted email products. We belong to a select group of trusted Microsoft partners selected who offer this product. Our Microsoft-certified professionals move or migrate over 50,000 email boxes every month and manage millions more. And our award-winning support team will keep your email system running smoothly and securely.

## KEY FEATURES

Meet your messaging and calendaring needs with anytime, anywhere access from your desktop and mobile devices. Have more than 300 users? Consult with a specialist about the best plan for you. Exchange Essentials includes:

- **15GB Mailboxes and 150MB Attachments:** Storage for your business needs
- **Anywhere Access to Outlook:** Access your email, calendar and contacts via desktops and mobile devices
- **Anti-spam and anti-virus protection:** Leverage premium email security

## EXPERTISE

We've been managing Microsoft email for over a decade and support millions of users worldwide. We'll help you successfully use the features you pay for and get the most out of your investment. Our expertise includes:

- **Microsoft Certifications:** Hundreds of Microsoft-certified professionals, so you can rest easy knowing your email is in the hands of experts.
- **Microsoft Gold Partner Status:** Microsoft Gold Partner in hosting – an elite rank reserved for partners with the highest level of expertise in Microsoft technologies.

## SERVICE

We deliver **Fanatical Support®** for the world's leading clouds – it's the specialized expertise and 24x7x365, results-obsessed customer service that's been a part of our DNA since 1999. Here are a few ways we provide email service:

- **24x7x365 Support:** No per-incident charges or limit on support tickets
- **Onboarding Support:** Free email deployment and setup assistance
- **Access to Experts:** Easy access to specialists in Microsoft email and security technologies
- **Flexibility:** No long-term contracts
- **Simplified Billing:** Simple, easy-to-understand billing
- **Support Escalation:** Prioritized route to advanced-tier Microsoft support (as needed)
