Microsoft Office 2016® helps businesses improve productivity with always up-to-date versions of the Office applications workers use every day, including Word®, Excel®, PowerPoint® and Outlook®. Add Microsoft Office to our powerful and affordable Rackspace hosted email solutions and rely on our award-winning Fanatical Support®.

Microsoft Office 2016 at Rackspace makes it even easier for teams to work together wherever they are on any device they choose. With Fanatical Support you can call on a team of always-available Microsoft Office specialists, ready to handle any support or management question or issue, no matter how big or small.

WHY RACKSPACE FOR MICROSOFT OFFICE?

WORK SMARTER

- Never upgrade Microsoft Office again, with the new, always-updated subscription installed on your employees' desktops.

WORK ANYWHERE

- Do your best work wherever you go, with premium Word editing, Excel analysis and PowerPoint presentation features included in Office on your desktop, online and via free apps for iOS and Android.

WORK TOGETHER

- One terabyte of cloud storage with OneDrive for Business gives you ample room for your files. Securely access, store and edit documents that you can share with colleagues – no matter where they are.

EXPERIENCE FANATICAL SUPPORT

Get an always-updated version of Microsoft Office, Office Online and OneDrive for Business. Includes free setup, onboarding and US-based support via phone, chat or ticket, with no limits on the number of monthly tickets and no per-incident charges. Solve issues quickly and get back to work.

We deliver Fanatical Support® for the world's leading clouds – it's the specialized expertise and 24x7x365, results-obsessed customer service that's been a part of our DNA since 1999.
